## Let's think!

- Whose rabbit is it? It's Deirdre's rabbit.
- Whose carrot is it? It's the rabbit's carrot.

Pour établir un lien entre des personnes, des choses déjà connues, on peut utiliser une structure qu'on appelle le génitif.

Compare avec le français:

# Now it's your turn!

- Whose ball is it?

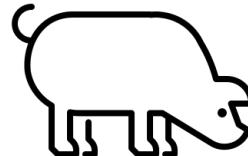

- Whose tractor is it?

- Whose nest ... ?

- Whose ... ?

Let's think: how do you pronounce the “**s**”?

Pumpkin

**Lost in Dublin**

Pumpkin is missing from Portobello. She disappeared on Saturday May 16th. She's a nine year old female cat. She has a ginger fur with some black stripes on her head. She has a pink nose and green eyes. She never goes away very far.
